Contract No. A-101

17 February 1956

CONTRACT APPROVAL

Pursuant to request made in your letter of 27 January 1956 (CMCC Doc. No. 151.801), approval is hereby given to procure, in connection with Contract No. A-101, outside design and drafting service in connection with System Two.

It is understood that the above described services will be obtained through specific purchase orders presently being negotiated, which purchase orders will be submitted for Contracting Office approval as they are finalized.

The instant approval is in the tentative amount of \$38,000, subject to final approval of individual purchase orders for such services.
